

Colourful Discoveries

Today we are going to be colour detectives.

Newcastle Story

Can you find and colour in these objects?

Let's explore!

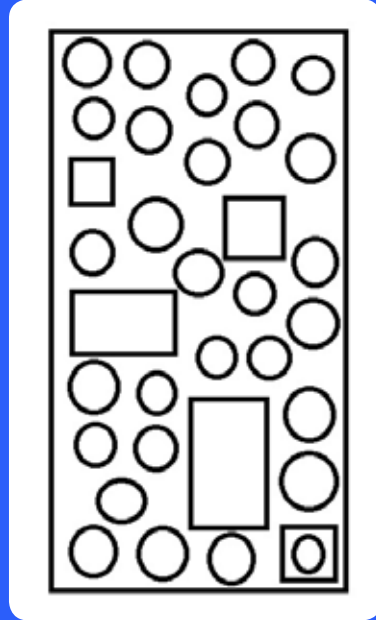

Science Maze

How many red lightbulbs can you find?

Find the display of light switches. Which switch is blue? Colour it in.

Story of the Tyne

Can you find a ship for every colour of the rainbow? Colour in a ship for each colour you find.

What colours would you paint a ship? Design a ship and have a go!

Cabinets of Colourful Curiosity

Fill the cabinets with your favourite objects from around the museum to create your own exhibition.
